GREEN EGGS AND HAM...ANYONE?

Happy March Kids Corner family!

This month, is a month of celebration!

First, we will celebrate Dr. Seuss' birthday at the end of our Dr. Seuss spirit week. Stay posted for the spirit days listed on the website and in the class.

Also in celebration of Dr. Seuss' birthday there will be a reading contest for the entire month of March, little kids vs big kids! Please encourage reading at least two books per night. Reading log's and more information on tracking and how to submit to come!

St Patrick's day will be honored on Friday March 15th with all class's building Leprechaun traps, and exercising our STEM learning.

If possible, please bring 1 item from home with your child's name labeled on it to contribute to the trap.

This is a great time to bridge school and home, and really encourage your little one to think of an item that would be beneficial.

As always, weekly curriculum is posted on the modular door. There will definitely be learning

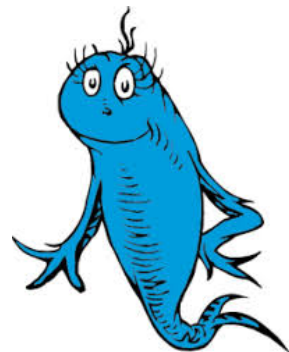

REMINDERS:

- ▶ **Dr. Seuss Spirit Week - March 4th - March 8th**
- ▶ **Dr. Seuss Birthday Celebration - March 8, 2019**
- ▶ **St. Patrick's Day Celebration - March 15, 2019**
